WALL

Nowa Kolekcja tapet od Wonderwall Studio to migotliwa mozaika złożona z najróżniejszych emocji, uczuć, wspomnień i marzeń. Zachęca, by wyruszyć w podróż do miejsc bliskich i dalekich – tych, które znajdziemy na mapie oraz takich, co istnieją tylko w sercu, pamięci lub fantazji. Co ważne, nie trzeba przy tym przekraczać drzwi własnego mieszkania. Różnorodność stylistyczna, wielość motywów i bogactwo kolorystyczne pozwolą znaleźć w kolekcji propozycję skrojoną na miarę gustu, wrażliwości, potrzeb i oczekiwań. Dzięki temu, jeśli tylko zechcesz, na ścianie salonu, sypialni czy kuchni powstanie coś więcej niż zwykła dekoracja – będzie to odbicie cząstki Twojej duszy.

New collection of wallpapers from the WonderWall Studio it is a flickering mosaic consisting of emotions variety, feelings, memories and dreams. Calls to begin a journey to places close and far – places which we find on the map and existing only in the heart, memory or imagination. It is important to note that you do not need to cross the door of your own apartment. Stylistic diversity, a variety of motifs and color richness will allow you to find in the collection a proposal adapted to taste, sensitivity, needs and expectations. Thanks to that if you want on the wall in the living room, bedroom, hall or kitchen there will be something more than just decoration – it is a reflection of a particle of Your soul.

Standardowe wymiary paneli

Tapety Wonderwall oferowane są klientom w standardowych rolkach o wymiarach 1 m szerokości na 3 m wysokości. Całkowita szerokość wzoru tapety wynosi 5 metrów. Jeśli wysokość pomieszczenia jest mniejsza można odciąć nadmiar materiału bez utraty integralności grafiki. Wystarczy nanieść klej na ścianę i po przyklejeniu brytu tapety - dociąć ją do pożądanego rozmiaru. Montaż naszych paneli jest prosty, wygodny i szybki, nie ma potrzeby odwoływania się do specjalistów, kiedy można to zrobić samodzielnie.

Rozmiar, kolorystyka i wzór tapety mogą zostać dostosowane do wymogów pojedynczych projektów.

STANDARD DIMENSIONS OF PANELS

Wonderwall panels are offered to customers in already cut strips of 1 m width and 3 m height. The total width of the wallpaper pattern is 5 meters. If height of your premises is lower, the excessive piece can be simply cut off with no loss of scene entirety. You only need to apply paste to wall surface and cut strips heightwise to right size attaching them end-to-end. Our panels can be hung on a wall by oneself with no help of specialists.

The size, colors and composition of the wallpaper can be changed to meet the requirements for individual projects.
